

Shille

Esta colección de baldosas hidráulicas es el fruto del encuentro del diseño y la tradición. **Sybilla** se ha acercado en este proyecto a la arquitectura tradicional mallorquina y la ha querido abrir al mundo. De la mano de los artesanos de **Huguet**, que desde hace años trabajan estos productos de elegancia y calidad, **Sybilla** ha recuperado la tradición modernista y ha tendido un puente entre la tradición mediterránea y la arquitectura contemporánea internacional.

This collection of hydraulic tiles is the result of the convergence between design and tradition. Sybilla has approached traditional Majorcan architecture for this project, and wants to open it to the world. From the hand of the artisans of **Huguet**, whom for years have created these elegant and quality products, **Sybilla** has recovered the modernism tradition, drawing a bridge between Mediterranean tradition and international contemporary architecture.

Aquesta col·lecció de rajoles hidràuliques és el fruit de la trobada entre el disseny i la tradició. **Sybilla** s'ha apropiat en aquest projecte a l'arquitectura tradicional mallorquina, i l'ha volgut obrir al món. De la mà dels artesans d'**Huguet**, que des de fa anys treballen aquests productes d'elegància i qualitat, **Sybilla** ha recuperat la tradició modernista i ha estès un pont entre la tradició mediterrània i l'arquitectura contemporània internacional.
